

GCPEA questions regarding the current security and protection of higher education

Thank you in advance for your response. Please feel free to use additional pages as necessary; to attach copies or citations of laws, regulations or policies; and/or to reference to particularly important incidents relevant to understanding conditions in your country or territory.

1. Please describe any measures taken by the State or Commission to demonstrate public support for the security of the higher education institutions and personnel from violence, coercion and improper external influence.

2. Describe the national laws and policies, if any, which ensure the security of the higher education institutions and personnel from violence, coercion and improper external influence.

3. Describe any emergency protection measure in place to ensure the security of higher education institutions and personnel from violence, coercion and improper external influence.

4. Describe any measures taken or in place to assist victims of attacks on higher education institutions and personnel and to prevent future attacks.
